Wells drilled and completed except those drilled on contract for others:		2											
Footage of wells drilled 1,000 ft		1											
Cost of drilling and equipping wells, \$1,000													
Wells drilled and completed on contract													
Footage of wells drilled on contract 1,000 ft													
Costs borne by drilling contractors in drilling and equipping wells, \$1,000													
Horsepower rating of power equipment (prime movers and electric motors driven by purchased energy), total													
Prime movers 1,000 hp													
Electric motors driven by purchased energy do													

Horsepower rating of electric
motors driven by energy generated at the
same establishment
